Very seldom will the worst consequence be anywhere near as bad as a cloud of "undefined consequences." My father would tell me early on, when I was struggling and losing my shirt trying to get Parsons Technology going, "Well, Robert, if it doesn't work, they can't eat you."

# CLIENTS STATEMENTS

Hi, moving from a company to a new one is a big decision. It's not just about the salary, but about the culture, the growth opportunities, and the people you will be working with. I have been with Aqua Century for a while now, and I can say that it's a great place to work. The team is supportive, the work is challenging, and the company is always looking for ways to improve. I am proud to be part of this team and to contribute to the success of the company.

Never stop investing. Never stop improving. Never stop doing something new. The moment you stop improving your organization, it starts to die. Make it your goal to be better each and every day, in some small way. Small daily improvements eventually result in huge advantages.
